

## **XIV. International Rotifer Symposium**

30<sup>th</sup> August – 4<sup>th</sup> September 2015  
České Budějovice, Czech Republic  
[www.rotifera.org](http://www.rotifera.org)

### **Dear Sponsor, Dear Partner, Dear Exhibitor,**

we would like to encourage you to take part in the forthcoming *14<sup>th</sup> International Rotifer Symposium* held in České Budějovice, Czech Republic in September 2015. Rotifera XIV. continues the long tradition of regular rotiferologists' meetings. The meeting will be held under the auspices of the University of South Bohemia, Faculty of Science and the Biology Centre, Academy of Science of the Czech Republic.

Here we would like to invite you to participate in the prepared sponsorship programme.

Main topics of the symposium are:

1. Patterns in biodiversity (Taxonomy, Biodiversity, Zoogeography & Barcoding)
2. Organism functioning (Molecular Biology, Phylogeny, Genetics & Biochemistry)
3. Population studies
4. Ecosystem functioning (Feeding, Trophic Interactions, Behaviour and Autecology & Population Ecology)
5. Integrative and applied research (Aquaculture, Ecotoxicology & Indicator Organisms)
6. Bdelloid Rotifera as models in evolutionary research (Special Session)

We would be happy to provide you an opportunity to present your products and/or services to the symposium attendees. There will be probably more than 150 participants from around the world. The form of your presentation (space specification, possible dates etc.) can be specified according to your needs and the timetable of the symposium.

For advertising, exhibiting and sponsorship opportunities, please contact:
